Worldwide Sourcing Network

ABOUT FUSION WORLDWIDE

Fusion Worldwide is the premier sourcing distributor of electronic components. Partnering with the world's largest electronics companies, we source current production goods on the open market. Fusion Worldwide's capabilities extend into quality inspection and testing, inventory management and global logistics as well as obsolete and end of life products and after-market services.

PRODUCT PORTFOLIO

Integrated Circuits

FPGA, Diodes, Analog, MOSFETS, Discretes, LEDs, Logic, Linear, Microcontrollers, Transistors and more

Memory

Chips, DIMM, Flash, Memory Modules, Cards, SD-RAM, NAND Flash and all forms of DDR

Passives

Capacitors, Resistors, Inductors, Oscillators, Resistor Networks, Crystals and more

Storage

SSD, HDD, Memory Cards, CD-ROM drives, DVD drives, Hard Drives and Optical

CPUs

Chipsets, CPUs, Processors and Microprocessors

Cards

Graphics Cards, Raid Controllers, Riser Cards, Ethernet Cards, Sound Cards and Expansion Cards

Networking

Optical Transceivers, Modems, Routers, Network Interface Cards, Switches and more

Boards

Motherboards, Daughtercards and PCB Assemblies.

Computer Products

LCDs, Power Supplies, Batteries, Cables, CPU Fans, Monitors and more

Peripherals

Mice, Keyboards, Speakers, Webcams and other I/O Devices.

Finished Products

Laptops, Servers, Tablets, Phones, Desktops and more

Electomechanical

Relays, Switches, Connectors, Fuses, IC Sockets, Sensors and Activators

MANUFACTURERS

- 3M
- A-bright
- AKM Components
